FROM THE PRINCIPAL'S DESK

District Institute of Education & Training (DIET) Charaideo, Sonari has prepared the profile of students of the 2021-23 session and 2022-24 session, which was readily accepted by the trainees. Our trainees, who studied from 2012 onwards requested the Principal to prepare that profiles as a sign of memory for them. It was a magnanimous task as there was no available data on the topic to prepare their profiles. Still, the academic staff discussed the matter on how to fulfill our students' precious dream. The responsibility of preparing the profile was entrusted to Mrs. Deepa Rani Gogoi, Senior Lecturer to collect the information through the use of digital sources like ICT, as she belongs to the ET department. After a lot of selections and rigorous exercises, the dream of the students was turned into a reality.

I would like to offer my gratitude to Mrs. Deepa Rani Gogoi for her dedication and all the staff and trainees, who directly or indirectly engaged in preparing the year wise profile from 2012 to 2020. I think it will be continued for the future. This will certainly create oneness in the institution, a sense of belongingness and emotional attachment as we are all members of the same boat moving forward to fulfill the goal of education as per vision envisaged by NEP – 2020.
